

The **future** of **Loyalty Club Cards**

The Beepxtra project has been designed and engineered by the BeepXtra team of developers and marketers and is a **Community Driven Global Loyalty Card**.

In short, imagine a Loyalty Card that is **FREE**, adapts to your use patterns over time, gives you exactly the features and benefits needed for your clients and expands your reach with a globally scaled club card!

Beepxtra has an incredibly viral introduction system for individuals and businesses

Cash back discount loaded on your card

Beepxtra has a geographically targeted product and service search facility

Your business will be found by clients looking for exactly what your business offers

Where Everyone's a Winner
